

It is hard to believe that we are over half way through this academic year and at the end of another term!

It has certainly been an interesting six weeks, but I am grateful for the challenges we have faced as it has allowed us to grow and develop as a community. It has been a pleasure to get to meet those parents who attended our open events and to hear your thoughts and feedback on the school uniform amongst other things. Final information about uniform changes will be sent out early next term and we look forward to inviting parents into the school on a more frequent basis.

The pupils have consistently displayed our school values this term and we have lots of children achieving bronze, silver and gold value awards! I am very excited to hear which children will be chosen as our value ambassadors – children that are chosen to sit on our school council and represent the school values to ensure they are embedded into everything we do here at LACP>

IMPORTANT NOTICE

If your child has sickness or diarrhoea they must leave 48 hours since the last episode before returning to school.

This is to ensure any illness does not spread to other children in the school.

Please see the Public Health Agency guidance on our website.

Communication – Have your say!

We are looking at reviewing our communication with parents and families and will be asking parents for their opinions and suggestions after the Easter Break. Please have a think about what you think works and what could be improved!

READING REWARDS

In the Junior School, our first reading draw has taken place. Our eight lucky winners visited Waterstones for a wonderful bookstore experience – they chose a book which was bought for them, explored the bookshop and even had a hot chocolate in the café!

You can earn raffle tickets with regular reading and achieving on your accelerated reader targets – the more you read the more chance you have of winning a chance to go next half term

DRAGON SPOTTING

We love to see how our pupils are demonstrating the school values both in and out the classroom!
Here is a snapshot of the values in action!

Advert by Noah Davenport (N.P.D)

Are you tired of boring work at your current school? Are your teachers extremely annoying? Are you bored of irritating people bullying you?

If so, I don't think you've heard of the absolutely best school in history! Welcome to KACP!!! In this fabulous school, all the teachers make your homework super fun! And best of all, it's totally FREE!

Join Kings Academy College Park today! It's 100% bully free! Yes, 100% bully free!

We were blown away by this glowing recommendation from Noah in Year 4!

His advert promotes the school as kind, fun and free!

He worked on this independently – we are so impressed!

In year 5, the children have been learning about friendship in their PSHE lessons using the book 'The Boy, The Mole, The Fox and The Horse' by Charlie Mackesy. They used the illustrations to create inspiring quotes about friendship.

SPENCER FROM AKABUSI CLASS

has shared with Miss Pullen the work he and his friends have completed with his Scouts group on conserving water. He worked incredibly hard and completed a survey on water use and the impact it has.

This is a fantastic responsible approach to the use of our resources Spencer – I hope you will apply to be one of our value ambassadors!

WELL DONE TO THE GIRLS FOOTBALL TEAM

who achieved third place in their most recent tournament!

They worked together as a team, attending practice with Miss Wright and Miss Taylor, and filling in for each other when there was illness.

Well done to our pupils who performed in the Portsmouth Music Hub Young Voices Spring Ensemble concert with Mrs Bannister-Palmer at St. Mary's Church last week. We are very proud of you!

EAT THEM TO DEFEAT THEM!

The children have done a brilliant job of 'defeating' the different fruit and vegetables during this campaign. They have enjoyed tasting them in class (junior children) or in the hall at lunchtime (infant children). It has been great to hear the positive feedback from parents about how their children are now more willing to try different fruit and vegetables at home too. We have also loved seeing children eating more of these foods in their packed lunches and hope that this continues.

INFANT SCHOOL READING REWARDS

Infants – KEEP GOING with your reading bookmarks!
There are lots of prizes waiting!

Some children are almost at end of bookmark 4 and will soon be enjoying their 'Reading Star Tea Party'!

We wish Mrs Beasley the best of luck as she goes on maternity leave – we will be thinking of you!

And with that we are welcoming Miss Ward as class teacher for Hedgehogs Class.

Miss Ward has previously worked at the Junior School and is returning from maternity leave.

CIRCUS PERFORMERS NEEDED!

Year 4 are looking for any jugglers, acrobats, unicyclists, or anything circus based, who would be willing to come in and demonstrate their prowess! Please contact the school if you can help!

School Holidays

Inset Days

Bank Holidays

Please note that Year 6 SATs will take place from Monday 9th May with the last assessment on Thursday 12th May.

It is important that your child is in school for these dates as this is the only opportunity they will have to sit these assessments.

Have a wonderful break – whether you will be enjoying Easter eggs, fasting for Ramadan or simply relaxing after a long half term!

Best wishes, Mrs Carlyle
