

Message from Mrs Carlyle

I want to say a huge thank you to all of our families for their support and engagement with our 'Big Reading Picnic' that took place on Friday afternoon. It was incredible to see our community come together for such a wonderful event. We were so happy to have our parents and carers on site; as you know it has been tough getting back to a full events calendar following from the impact of COVID but Friday felt like we have really made progress and I cannot wait for this Wednesday when our infant families are back on site to enjoy our infant sports day!

I am thrilled to tell you that we raised over £1500 on Friday - thank you, thank you, thank you! The money will be spent on buying items for our classroom reading corners to support our pupils to develop their love of reading by having a dedicated, inviting space to sit and read. None of this would be possible without you!

I must also thank Mrs Gaston for organising the event and all of our staff for their support on the day! I am proud to be the headteacher of such an amazing school!

Mrs Carlyle

This week's assembly theme is...

Transition

To get ourselves ready for next week, we have spoken about how transitioning to a new class is like packing our bags for a holiday! We also spent some time reflecting on our successes over the last year!

September

Our transition to new teachers or new schools is like a journey or a trip.

It is really exciting and there will be lots of amazing new things to see and learn and do. But also we might be a bit worried and this is totally natural. Just like planning a trip there are things we can do to prepare.

Online Safety

This week we would like to make you aware of a 'trend' we are seeing in school called 'Michael Jordan' - children are hitting each other on the top of the head which is causing harm and upset to the victims.

Please be mindful of what your children are watching online and the implication this can have on others in school.

This week's online safety guide features advice on artificial intelligence (AI) on social media platforms.
