

Message from Mrs Carlyle

Morning,

The end of term is here which doesn't seem possible. This year has flown by and we have so much to celebrate. The pupils, parents and staff here at King's Academy College Park make the school the special place that it is.

The children are ready to move on to their new year groups and you can feel the excitement building in anticipation for September. They are already chatting to their new teachers, sharing their plans for the summer break.

I would like to say 'Thank You' for your continued support over the last year and the emails that we have received in support of King's Academy College Park. They are very much appreciated. On that note, have a great summer break, relax and enjoy time with your families.

Take care and stay safe,

Mrs Carlyle

SUMMER EVENTS AND ACTIVITIES

If your children love to find adventure, have fun and be active, then Stomp for Stamps could be the perfect summer holiday activity for you. Walk, cycle, wheel or scoot through this treasure hunt and you can win prizes too!

To take part children can visit any Portsmouth library, with an adult, to collect a Stomp for Stamps booklet (available from Saturday 22 July). Each booklet contains five route maps to help you track down the Pompey Monsters and their animal friends. Kids will put their creative skills to the test when they follow the Pompey Monsters and take colourful rubbings of animals and insects to exchange for a sticker at any Portsmouth library.

Once children have collected at least three stickers they can claim their prize, a fantastic wildflower pot, and look out for the Green Space Challenge in the back of the booklet too! Want to know more?

One of our wonderful parents have put together a comprehensive guide of free events, places to visit, days out and a guide to what's on over the summer holidays locally! Check out the information on Facebook - [Summer holidays 2023](#)

The Parenting Service offers different forms of support to parents across the city, such as one off 1:1 sessions with a parenting practitioner, discussion groups with other parents run by a parenting specialist, as well as behavioural management courses available to those with a lead professional (should they meet the criteria).
