

Message from Mrs Carlyle

This evening we have had a fantastic response to our parents evening, with families across the school coming to meet their teacher to find out how their child is settling in to the new school year. I think it is fair to say our first parents evening of 2022 has been successful and I look forward to welcoming more of you on Wednesday.

As we move into the next few weeks, we will be seeing some changes with how we communicate with parents, with a careful introduction of a new system. I know our parents and families have been incredibly supportive so far with the direction that the school is moving and I thank you for that. We have already seen a positive change with removing the cold option from our infant lunch menu to ensure that all children have the opportunity to have a hot meal in school, particularly in these challenging financial times.

We have had an amazing response for our new after school clubs which will be starting this week, with over 150 children requesting spaces across the year. We look forward to this being an integral part of the education offer here at KACP.

We will be finalising our dates for Christmas events this week, and sharing these with parents.

Finally, we are in our last week of School Streets – please complete the online survey [here](#) to have your opinion heard.

Many thanks,

Mrs Carlyle

This week's assembly theme is...

Remembrance

This week's assembly focused on remembrance and recognising the sacrifice that others have made so we can live freely. As a school we will be observing the minute's silence on Friday 11th November and pupils will be doing Remembrance themed crafts on Friday afternoon to share with their families.

Messages from the office...

The school nurse team will be in this week completing nasal flu immunisations for all pupils.

Consent forms need to be completed online and any queries to be directed to the Immunisation team
